

Our mission is to bring happiness, peace and comfort to cancer patients and survivors.

We support this mission in as many ways as we can imagine. In the beginning we made creature pillows to bring comfort and joy to cancer patients. Now we do that and much more. We are constantly thinking of new ways to help cancer patients.

Please visit www.creaturesagainstcancer.org/help if you or anyone you know would benefit from our programs.

Creature Pillows, Capes and Therapeutic Pillows

We will always make Creature Pillows. They are so fun to make and always bring a smile to anyone who receives one. Our cancer fighter superhero capes are custom made by request.

Therapeutic pillows provide relief from discomfort and pain after treatment. We make mastectomy pillows for breast cancer patients, neck pillows for those going through chemotherapy and body pillows for aiding in a good night's sleep. We also make squishy pillows filled with tactile material for re-focusing stress.

Creature Cuisine

We recently started offering meal prep and deliver for cancer patients and their immediate family so that patients and their loved ones can get a night off (or two) and just relax around a meal together. Breakfast, lunch or dinner - anything we can do to make life a little easier for these amazing people going through difficult times. We partner with restaurants and food services as well as prepare home cooked meals.

Financial Assistance

Sometimes you just need a little help with paying the bills. CAC is ready to help. If you or someone you know needs financial assistance paying for hospital bills we'd love to hear from you and see what we can do.

Vision for the Future

Our mission is expanding and we want to help even more by creating a space for cancer patients to visit for a comfortable retreat. A place to relax and be taken care of while enjoying a meal, a cup of tea or coffee or just to get away from home for an hour. We are actively working towards this vision and hope to make it real in the near future.

Creatures Against Cancer is a 501(c)(3) non-profit organization. Federal EIN: 81-2224679
